"Who put you up to this?"

Mom and Dad

Human beings are created by God to influence and be influenced. Influence is in our design...

Our ability to influence is connected strongly to our relational and emotional abilities.

Because they are so intertwined within us-we have the ability to use influence to shine the light of good and God brightly onto someone else's path. Or, we have the ability to use influence for power, manipulation and evil. To cast a shadow of pain and hurt onto someone else.

"A life touched by God always ends in touching others."

Erwin McManus
